Dear Mr. Li:

The Hawaii Department of Health (HDOH), Hazard Evaluation and Emergency Response (HEER) Office has reviewed the responses to comments on the April 20, 2022 draft Response Action Memorandum (RAM) and April 14, 2022 draft Public Participation Plan (PPP) as well as the revised draft final RAM dated April 28, 2023 and the revised draft PPP dated June 23, 2023 for the above-referenced Voluntary Response Program site. Based on this review, HDOH has determined that all previous comments have been adequately addressed and HDOH has no further comments at this time.

The final RAM has been added to our files for this VRP site and is available for the public to review in iHEER at <https://eha-cloud.doh.hawaii.gov/iheer/api/documents/202756/download>.

Please finalize the PPP and publish the Notice of Availability and submit a finalized copy of the documents to the HEER Office. Once received, the HEER Office will post the public notification on our website newsfeed at <https://health.hawaii.gov/heer/> and the final PPP will be added to iHEER.
