Hi Everyone:

It is time for SRP and PA/SI grant meetings and Eugenia asked me to send out the following suggested date for the conference call.

Laura prefers Thursday 12/05 at 10am to 11am for PA/SI and probably 11am to 12pm for CERCLIS (if everybody is available). Let me know.

Please let me know your preference so I can relay it to Eugenia.

Thanks.

Melody
