CONSENT FOR ACCESS TO PROPERTY

NAME: HCDCH PHONE: 581-0541
ADDRESS OF PROPERTY: Iwilei Project site

I consent to officers, employees, and authorized representatives of the Hawaii Department of Health (HI-DOH) entering and having continued access to my property for the following purposes:

- A. The taking of such soil, water, and air samples as may be determined to be necessary;
- B. The sampling of any solids or liquids stored or disposed of onsite;
- C. The drilling of holes and installation of monitoring wells for subsurface investigation;
- D. Other actions related to the investigation of surface and subsurface contamination; and
- E. The taking of a response action including site stabilization, the removal of contaminated materials and substances, material containment, and other activities necessary to protect human health and the environment.

I realize that these actions by HI-DOH are undertaken pursuant to its response and enforcement responsibilities under the Hawaii Environmental Response Law, as amended, Hawaii Revised Statutes Title 10, Chapter 128D, Section 128D-4, et seq.

This written permission is given by me voluntarily with the knowledge of my right to refuse and without threats or promises of any kind.
