Subj: HEALTH AND SAFETY PLAN FOR OPERATION AND MAINTENANCE/
PERFORMANCE MONITORING AT VARIOUS SITES, PEARL HARBOR
NAVAL COMPLEX

The draft Site Health and Safety Plan is forwarded as enclosure (1) for your review and comments. The plan describes policies and procedures that will be used to protect workers during the monitoring, inspection, and maintenance of the product extraction systems.

We respectfully request that you review this document and forward your comments to us within 60 days.

Should you have any questions, please contact Ms. Michelle Yoshioka of our Environmental Restoration Product Line at (808) 472-1431.

Sincerely,

LEIGHTON G. M. WONG
Business Line Manager
